## RECREATE THE BEAUTY OF ELEMENTS

Offering sustainable surface solutions with eco-friendly materials developed from the essence of woods, stones and other man-made materials to maintain the beauty as much as the element where the idea was extracted from.

MADERA

wood collections

Wood is known for its enigma and timeless visual appeal in interior design. Designers and home owners are drawn to wood because of its natural beauty and design versatility.

Cocorosa Madera, a luxurious collection of Luxury Vinyl tile designs inspired by wood. Beautiful and undeniably elegant, these wood look luxury vinyl tiles offer a palette of natural colours and unique grain patterns – they're exceptional for evoking classic masculinity or high glamour.
