## RECREATE THE BEAUTY OF ELEMENTS

Offering sustainable surface solutions with eco-friendly materials developed from the essence of woods, stones and other man-made materials to maintain the beauty as much as the element where the idea was extracted from.

MADERA

wood collections

Wood is known for its enigma and timeless visual appeal in interior design. Designers and home owners are drawn to wood because of its natural beauty and design versatility.

Cocorosa Madera, a luxurious collection of Luxury Vinyl tile designs inspired by wood. Beautiful and undeniably elegant, these wood look luxury vinyl tiles offer a palette of natural colours and unique grain patterns – they're exceptional for evoking classic masculinity or high glamour.

\*Residential use, or household conditions means the daily activities commonly associated with residential use.

\*Light commercial is defined as environments which do not have heavy commercial traffic, where the flooring is not exposed to a heavy commercial maintenance schedule and where the interior temperature and humidity can be controlled and maintained.

\*Commercial is defined as environments which have heavy commercial traffic.

## TECHNICAL SPECIFICATIONS

Clasification	Test Standard	Result
Reaction to fire	EN ISO 9239-1	B fl – s1
Impact Insulation Class	ASTM E492-09	52
Sound Transmission Class	ASTM E90-09	54
Determination the content of formaldehyde	ISO 16000-3	A+
Performance	Test Standard	Result
Wear resistance	EN660-1	Group T
Residual indentation after static load	EN436	Pass
Dimensional stability and curling after exposure to heat	EN434	Pass
Flexibility	EN435	Pass
Measurement of dynamic coefficient of friction on dry floor surface	E13893	Pass
Slip resistance	DIN 51130	R10
Resilience to chemicals	EN423	Class 0
