BOSCO COLLECTIONS

Wood is known for its enigma and timeless visual appeal in interior design. Designers and home owners are drawn to wood because of its natural beauty and design versatility.

Introdusing Bosco, a luxurious collection of porcelain tile designs inspired by wood. Beautiful and undeniably elegant, these wood look tiles offer a palette of natural colours and unique grain patterns – they're exceptional for evoking classic masculinity or high glamour.

Bosco bring the best of the durability of porcelain tile and the inviting splendour of wood.

Each different tiles series is produced to meet different performance requirements. For specific product technical performance, please request from sales team or their agent or distributor.

Colour Variations: Since the colour reproduction in this printed piece will vary from the actual tile colours, final selection should be made from tile samples. Colour, shade and glaze variations may exist due to the inherent characteristics of porcelain tile.
