SERIES

**MADERA**  
WOOD COLLECTIONS

Wood is known for its enigma and timeless visual appeal in interior design. Designers and home owners are drawn to wood because of its natural beauty and design versatility.

MADERA, a luxurious collection of porcelain tile designs inspired by wood. Beautiful and undeniable elegant, these wood look tiles offers a palette of natural colours and unique grain patterns - they're exceptional for evoking classic masculinity or high glamour.

**BOSTI**

Upgrade your flooring to eco-friendly wood tiles, offering unparalleled beauty and elegance that rivals real timber wood, while saving you from exorbitant long-term maintenance costs. With the added bonus of reducing your carbon footprint, BOSTI transcends the boundaries between aesthetics and nature, employing an ancient horticultural technique that gracefully disrupts and guides natural growth for a truly enchanting experience.

Each different tiles series is produced to meet different performance requirements. For specific product technical performance, please request from **WIFI** sales team or their agent or distributor.

Colour Variations: Since the colour reproduction in this printed piece will vary from the actual tile colours, final selection should be made from tile samples. Colour, shade and glaze variations may exist due to the inherent characteristics of porcelain tile.
